

**QUEST** is a weekly English publication targeted to secondary students who are still expanding their knowledge of English. By regularly enjoying a tailor-made publication, they can improve their reading and listening skills and solidify their English knowledge base before they have to tackle more advanced reading materials. As a bonus, they get regular exposure of current topics.

It comprises a printed 4-page tabloid-sized periodical, audio of the articles read aloud, a 5-minute easy-to-understand podcast on a relevant topic, an online quiz, definitions of words and phrases with Chinese translations, etc.

# Global English in popular culture

The front cover delves into a broad range of topics that provides opportunities to learn English in a non-academic format that young readers will find interesting. It will cover common vocabulary and idiomatic phrases commonly used in English-speaking countries. It Includes:

- Puns and idioms
- Articles read aloud by a native speaker
- Podcast
- Vocabulary help

# Must Know (Essential topics to know)

- Variety in topics: short articles on mustknow topics including technology, people, literature, music, culture, science, arts, etc;
- Audio: articles are read aloud by a native English speaker to give students more exposure to the way English sounds;
- Video links: provides video links to outside content to help expand their knowledge of topics in a visual format;
- Vocabulary help: translation of key words to aid comprehension.

# World of Wonder (Spotlight on current topics of interest)

- Up-to-date feature: the article is focused on topics that are current and happening around the world. It will provide appealing news that they will find entertaining as well as enlightening;
- 'I Wonder Why': Explain the facts or provides more background to the news topic to give students a fuller picture of the story;
- Vocabulary help: translation of key words to aid comprehension;
- Review Quiz: An online quiz to test students' understanding of all the articles.

## Quest in digital devices
